About us

Created in 1996, Sateklife select the best properties and make personalized holiday villas, apartments and boutique hotels in Spain.

Our team of more than 50 people personally selects and inspects properties before making them available to our customers.

We are a company that makes a complete service in the sale and rental of properties. Satek provides free information and assistance to clients and guests. We specialize in helping you find your perfect house and negotiate the best price with the owners.

If a customer buys a property for investment, the property will be managed comprehensively and may generate a high return.

SATEKLIFE is a division of SATEK ACTIVOS, which is a property consultant's specializing in the management and marketing of real estate assets.

SATEK INVESTMENT

INVESTMENT AND MANAGEMENT OF REAL ESTATE

Our professional staff analyzes the various properties and provides a selection of the most suitable considering an investment in the short, medium and long term, taking into account the gains that can be generated with respect to the average increase in price in the area, the capacity property to generate income by renting, and other factors related to the environment where the property is located.

Investment types

Residential, Commercial, Industrial, Offices, Hotels, Luxury Villas, Large farms, Agrobusiness.

Investment in property intended for holiday rental.

Many of our properties have been selected especially for customers who wish to purchase a home just as an investment, or for shared use as a second home and investment in the periods in which they do not live in it.

We have a comprehensive management service with guaranteed income for investors.

The owner benefits from guaranteed annual income from the rental of the property which in turn is managed, maintained and free of running costs.
